

PageTableWalker::return\_data

```
graph LR; A[PageTableWalker::return_data] --> B[PageTableWalker::_occupancy]
```

A diagram showing a call from the function `PageTableWalker::return_data` to the function `PageTableWalker::_occupancy`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

PageTableWalker::\_occupancy
