

CacheBus::return_data

```
graph LR; A[CacheBus::return_data] --> B[champsim::circular_buffer::push_back]
```

A diagram showing a call from the function `CacheBus::return_data` to the function `champsim::circular_buffer::push_back`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

champsim::circular
_buffer::push_back
